Frontiers in Intestinal and Colorectal Disease 2017
15th Annual International Congress
28th–30th November 2017
St Mark’s Hospital, London

We are delighted to announce that our visiting professors for 2017 will be Professor Mike Kamm from Australia and Professor Søren Laurberg from Denmark.

This congress will offer a variety of cutting edge symposia including:

- ‘Food, glorious food’
- IBD at the margins – the young, the old and the pregnant
- Biofeedback and beyond
- IBD and cancer
- Getting the best outcomes for our colorectal cancer patients
- Live endoscopy and operating

Professor Robin Phillips’ Festschrift
1st December 2017 at the Royal College of Physicians, London

Celebrating a life in surgery, symposia will include:

- Complex fistula
- Anorectal transplantation
- Functional surgery
- Familial Adenomatous Polyposis
- Fissures
- Haemorrhoids
